

**REMARKS**

The Ex Parte Quayle Action mailed February 5, 2008 has been received and reviewed. In the Action, claims 1-34 were allowed pending correction of the formal matters recited. More specifically, the drawings have been objected to as failing to include descriptive text labels in the figures. Applicants have submitted replacement drawings for FIGS. 1-5, 8-16, 19-21, and 24-25 herewith including the requested descriptive text labels and, as amended, the entire application is believed in condition for allowance. Applicants respectfully submit that the amendments to the drawings embody the correction of formal matters without adding new subject matter. Accordingly, the informality has been cured and Applicants respectfully submit that the entire application is in condition for allowance.

**CONCLUSION**

Applicants acknowledge and appreciate the allowance of claims 1-34 pending correction of formal matters. For at least the reasons stated above, Applicants respectfully request withdrawal of the objections to the drawings and allowance of the entire application. If any issues remain that would prevent examination of this application, the Examiner is urged to contact the undersigned to resolve the same. It is believed that no fee is due, however, the Commissioner is hereby authorized to charge any amount required to Deposit Account No. 21-0765.

Respectfully submitted,

/KELLY T. FEIMSTER/
